Student Support Programs

The Denver Scholarship Foundation wants every college student to successfully complete a college degree or certificate. Below are some helpful resources and programs that are available at ASU.

CAMP: COLLEGE ASSISTANCE MIGRANT PROGRAM

Provides academic, social, and financial support services to migrant and seasonal farmworkers or their dependents, to assist them in the successful completion of their first year of college and persistence toward degree attainment. CAMP@ASU provides services and resources in the areas of academic guidance, career planning and development, intellectual and cultural enrichment, as well as financial assistance based on individual need.

TRIO STUDENT SUPPORT SERVICES

Provides students with opportunities for academic development, assistance with basic college requirements, and to motivate students toward the successful completion of their college education. Low-income students who are first-generation college students and students with disabilities are eligible to participate in Student Support Services.

NET TUTOR

NetTutor provides live tutoring in more than 30 subjects and is available 24 hours a day to students. This is a free, one-on-one service through the University Blackboard system.

COSI: COLORADO O PPORTUNITY SCHOLARSHIP INITIATIVE

created to increase the attainment of Higher Education. COSI helps by addressing the needs of accessibility and affordability. If you are interested in this, contact Chayne Boutillette directly.

STEM CENTER

Dedicated to supporting the academic success of students pursuing science, technology, engineering and mathematics education.

GTLC: GRIZZLY TESTING & LEARNING CENTER

Dedicated to fostering student success by providing testing services and peer tutoring in a low stress environment in an accessible and welcoming space. Strives to promote development of critical academic skills and independent learning through a variety of programs, as well as proctoring tests.
