“Thank you DSF! I’m excited to start a new journey at a new school and explore what life has in store for me.”
– Maritza Medina

Maritza was first introduced to DSF through the DSF Future Center located inside her high school, Dr. Martin Luther King Jr. Early College. There she was connected to her DSF College Advisor Derrek Sandoval, a former DSF Scholar himself, who helped her see the possibility of college by assisting with admissions questions, college essays, and scholarship applications.

Once on Auraria campus attending Community College of Denver, Maritza was paired with DSF Campus Advisor Cynthia Gallegos. Their relationship created a critical support system that helped to ensure that Maritza would graduate. All of this was undergirded by the DSF Scholarship that Maritza received each year.

We celebrate the success of every DSF Scholar that will walk across the stage, receive their degrees, and join a growing network of DSF Alumni. Maritza is graduating with an associate degree in Psychology and is excited to continue her education at Metropolitan State University of Denver in pursuit of her bachelor's degree.

YOU'RE INVITED

During this exciting graduation season, you can **celebrate college success** and **help make college possible** for thousands of Denver students by making another charitable donation to DSF.

Your contribution, **no matter the size**, makes an impact by supporting DSF Scholars like Maritza.
