STUDENT RESOURCES FOR 2026-2027

EMILY GRIFFITH TECHNICAL COLLEGE

Student Support Programs

The Denver Scholarship Foundation wants every college student to successfully complete a college degree or certificate. Below are some helpful resources and programs that are available at Emily Griffith Technical College.

STUDENT SUCCESS CENTER

The Student Success Center (SSC) is located in room 653 at the Lincoln campus and is designed to support currently enrolled students throughout their educational experience at Emily Griffith Technical College by offering many services and resources including mentoring, classroom visits and supports, continuing registration, health and wellness awareness campaigns, and community referrals. Appointments with a Student Success Coordinator to discuss and troubleshoot barriers or challenges are available at all campuses. Services provided are individual or in a group setting, and can be confidential if requested.

The SSC works closely with non-profits and community resources throughout the Denver metro area / Colorado and may provide students with information on services that are provided by these organizations. Feminine hygiene products are available in the SSC and Bill's Magical Food Closet located in room 653, provides emergency food items for students while they are in school.

STUDENT AMBASSADOR PROGRAM

Student Ambassadors are positive, enthusiastic, and well-informed representatives of the student body who work with faculty, staff, and students to promote Emily Griffith Technical College programs and services. They serve as advocates for all students by fostering support in their academic performance, achievement, and social development.
