Student Support Programs

The Denver Scholarship Foundation wants every college student to successfully complete a college degree or certificate. Below are some helpful resources and programs that are available at FRCC.

TRIO SSS

TRIO participants will develop in meaningful ways as you are empowered to grow personally, academically, and professionally through community involvement, small group learning and individualized coaching.

DISABILITY SUPPORT SERVICES

We work with FRCC students who have any diagnosis or health condition that may impact their participation in academics and/or the college experience.

CHILD CARE PROGRAM

Through CCAMPIS, a federal grant program, FRCC students with children aged 11 and younger may qualify for assistance with reduced childcare costs. Support is determined by the program's budget and available funding, which are subject to change.
