SPACETECH SCHOLARS

SpaceTech Scholars will increase the recruitment, retention, graduation and career placement rates of underrepresented students (i.e., Hispanic, female-identifying, other minority, low-income, first-generation, and/or student veteran) as aspiring professionals in the domains of aerospace science and engineering.

TRIO STUDENT SUPPORT SERVICES (SSS)

Dedicated to the public good by creating a campus community where students' individual goals are nurtured by providing support in an inclusive environment to achieve graduation and life success.

ACCESS CENTER

Ensures that qualified students with disabilities have equal access to University programs, services, and activities through academic accommodations and collaboration in order to advance MSU Denver's commitment to inclusive excellence.

BROTHER 2 BROTHER

Designed to assist students to build strong study habits, organizational skills, and test taking skills. Develops social activities to create a sense of community for male students including the development of friendships with peers and students.

IMMIGRANT SERVICES

Serves MSU Denver's refugee and immigrant students (including ASSET and DACA) and any student whose first or home language is not English. We provide personalized advising and academic support services for students beginning with the admissions process through graduation.

URBAN LEADERSHIP PROGRAM

Created to enhance the leadership experience at MSU Denver. The program consists of coursework and experiential learning components.

MSU DENVER HONORS PROGRAM

Created to enhance the leadership experience at MSU Denver. The program consists of coursework and experiential learning components.

EPIC SCHOLARS PROGRAM

Supports independent MSU Denver students who come from foster care, kinship care, or group homes. The goal of the program is to create a community of support for students and help them reach the goal of graduation and securing a job after graduation.

FIRST-GENERATION INITIATIVES PROGRAM

At MSU Denver, 57.7% of undergraduates are First-Generation Students and the First-Generation Initiatives Program in the Center for Multicultural Engagement and Inclusion (CMEI) serves as a resource hub for current First-Generation students as they navigate campus. We encourage and power the Roadrunner community to embrace and celebrate the multiplicity of identities the First-Generation college student population holds.

ACADEMIC SUCCESS COACHING

Academic Success Coaching offers the opportunity for any MSU Denver student to access one-on-one support in developing fundamental academic success skills, navigating the many wonderful resources at MSUD, and working effectively with one's resources and circumstances to build resilience, among other skills.
